Identifying opportunities to innovate and expand global citizenship and education in our schools
Speaker's Profile

Justin Bedard
Executive Director and Co-founder, JUMP! Foundation

Born in Lilongwe, Malawi, Justin spent his childhood in Indonesia and his formative years in China. Justin has a strong passion for community development and educational innovation, and he is recognized for his commitment to youth programs around the world. Justin has filled his life with adventure guiding, organizational consulting, leadership facilitation, community development, and time playing in the wilderness. In addition to his work with JUMP!, Justin currently sits on the board of directors for two non-profits: EduCo Canada and Sports Beijing.
