OTHER COSTS

While there are no set fees payable during the consideration phase, schools will need to budget funds for the following expenses. The costs will depend on the resources already in place and the size of the proposed programme, and will therefore vary from school to school. Most of these costs are also ongoing after authorization.

- Teacher training at IB sponsored workshops (see training requirements for more information)
- Collaborative planning time for teachers
- IB publications for teachers (see the publications catalogue on the IB website, www.ibo.org)
- Costs for the position of MYP Coordinator (a minimum of 25% release time is recommended)
- Resources for second language teaching and internationalism
