CHILDREN OF HOUT BAY EDUCATION & LEARNING OPPORTUNITY

CHELO CONSTITUTION OBJECTS

The Association aims to provide access to a world class education for previously disadvantaged communities of Hout Bay and to create a diverse educational environment for the students at the International School of Hout Bay. Our Mission is to facilitate the inclusion of students from previously disadvantaged communities of Hout Bay into the International School of Hout Bay by providing financial, social and educational support.

The Association concerns itself primarily with four roles:

- Sourcing funding for enabling Bursary Students to receive the necessary and reasonable financial support in their education at ISHB.
- Managing the funds raised for this purpose.
- Select Bursary Students
- Providing Bursary Students and their families with the necessary social and educational support to ensure their success as well as their full participation in ISHB.
