

## Theory of Knowledge: Curriculum, Assessment and Implementation

### Speaker's profile

#### **Jenny Gillett**

Senior curriculum Manager, International Baccalaureate Organization

Jenny Gillett has worked for the International Baccalaureate at their global centre in The Hague for 8 years, where she currently holds the post of Senior Curriculum Strand Manager. Working in the IB's learning and teaching division, she oversees the development of the Diploma Programme theory of knowledge and philosophy courses, as well as leading on elements such as approaches to teaching and learning across all IB programmes. Before joining the IB, Jenny worked as a teacher for 7 years at schools in the UK. She has a degree in philosophy and theology from Oxford University and has recently completed her PhD in philosophy.
