Provisional data

These data tables are provisional. They are a snapshot of outcomes taken shortly before results are released to candidates and do not reflect changes due to Enquiry upon Results or IB investigations where schools have not responded to inquiries by issue of results. A confirmed version of this statistical release will be made available at the end of April. Whilst provisional, we do not anticipate significant changes to outcomes or entries to occur when the final bulletin is released.

Context for the November 2021 statistical bulletin

Due to the ongoing disruptions as a result of COVID-19 the IB offered two routes for assessment, examinations and a non-examination route. For the non-examination route the IB used the available evidence from teachers on the student achievement; the marked coursework that the student had already completed, the predicted grade from the teacher and evidence on how these two pieces of data usually related to final grades for each school.

The IB has made every effort to ensure parity between the examination and non-examination route and recommend all stakeholders to treat them as equivalent. All statistics are based on the combined examination and non-examination route.

Key to abbreviations

Categories of registration

Diploma Programme (DP) candidates must register in one of four categories:

Diploma: Candidates intending to complete the requirements for the award of an IB Diploma.

Retake: Previous IB Diploma candidates who are seeking to improve their results by retaking one or more subjects. The highest grade obtained for a subject will contribute towards the IB.

Course: Candidates taking one or more subjects who are not seeking the award of the IB Diploma.

Anticipated: Candidates intending to complete the requirements for one or two standard level subjects (excluding languages ab initio and pilot subjects) at the end of their first year of the Diploma Programme. They must complete all remaining IB Diploma requirements in the corresponding examination session the following year.

Diploma Results

Data includes all Diploma and Retake category candidates whether they were awarded the diploma or not. Unless otherwise stated.
