

## Subject-specific seminars on the DP extended essay keep you updated!

### What's new?

The extended essay, a core component of the IB Diploma Programme (DP), has been reviewed and updated significantly. The new extended essay guide—for first teaching in 2016 and first assessment in 2018—will be launched at the end of January 2016.

Significant changes to the extended essay include:

1. A new assessment model
2. The introduction of three mandatory reflection sessions
3. New teacher support material

### Why attend a subject-specific seminar?

These seminars offer an important opportunity for experienced teachers to fully familiarize themselves with changes to the guide. IB academic staff will be on hand throughout the seminar to answer questions and participate in discussions.

### Who can benefit from attendance?

DP coordinators; extended essay coordinators and supervisors; school librarians
