

## Signs and Symbols Play

- Computers - Create a sign or symbols expressing a message.
- Look for signs, symbols and shapes around the classroom. Record what symbols and shapes you see.
- Sort and classify the signs and symbols on the Interactive Whiteboard.
- Making - Construct a symbol.
- Design a sign or symbols that communicates a message at school or at home.
- Make a sign or symbol using playdough. What colour did you use? What shapes did you use to make the sign or symbol?
- Visual Literacy - Look for signs and symbols in our environment - cereal boxes etc.
- Construct a 3D sign using different materials.
- Signs and symbols Play Box
- Sort different signs and symbols
- Looking at all the signs using the thinker hats what are the good things? And what are the bad things?
