10 Reasons
why the IB Career-related Programme (CP) is the ideal study for students looking to pursue a range of pathways

1. **It encourages you to think about others**
   The service learning course allows you to make a positive difference to the world around you.

2. **Explore, understand and engage in real world issues**
   The CP requires you to explore, analyse and evaluate global issues from a local perspective.

3. **It integrates academic and practical learning**
   The CP combines academic rigour with practical study; and develops skills and competencies required for life-long learning.

4. **It allows you to do what you really want to do**
   You can combine your academic subjects with your interests and skills.

5. **Learn about different cultures**
   Language development encourages you to engage with other cultures and increase your understanding of the wider world.

6. **Build friendships and connections**
   Collaborative projects allow you to build friendships as well as working relationships.

7. **Develop essential life skills**
   Skills including critical thinking, communication and personal development are an important focus of the CP.

8. **Explore and apply your creativity in innovative ways**
   Personal and professional skills courses promote creative thinking techniques.

9. **Collaborative projects allow you to build friendships as well as working relationships.**

10. **Become an independent learner**
    Taking part in the reflective project, you learn how to research subjects and explore multiple sources of information.
