

The International Baccalaureate® (IB) is currently seeking to make the appointment of:

## Chief Examiner for English A: Literature

The IB Diploma Programme English A: literature course develops understanding of the techniques involved in literary criticism and promotes the ability to form independent literary judgments. In English A: literature, the formal analysis of texts and wide coverage of a variety of literature—both in the language of the subject and in translated texts from other cultural domains—is combined with a study of the way literary conventions shape responses to texts.

The Chief examiner is principally responsible for setting and maintaining the academic standard for their subject(s). They are therefore closely involved in setting question papers, marking candidates' work, and determining the final grades of candidates.

As such the position of Chief examiner entails a commitment to attend meetings for activities such as question paper editing, examiner standardization and grade awarding. These meetings may be face-to-face or held online.

As a Chief examiner the post holder is also a member of the examining board for the IB. The examining board ensure that the IB programmes as a whole are coherent and fit for purpose.

A Chief examiner may also be invited to participate in curriculum and assessment development alongside teachers, external consultants, and IB academic staff. However, the IB currently operates a seven year cycle of curriculum review for individual subjects and courses, therefore the exact nature of this involvement will vary according to timing.

**All essential and desirable skills, qualifications and experience are listed in the recruitment policy available on the IB senior recruitment pages.**

The position is normally held for a period of five years, with an annual review.

The closing date for applications is **Friday, 2<sup>nd</sup> November 2018**.

Successful applicants will be notified by the end of March 2019.

Appointments will take effect from 1<sup>st</sup> September 2019.
