Guide to University Recognition in India

NOVEMBER 2021
This aim of this booklet is to provide an overview of university recognition in India with statements and website links of universities in India with updated polices. This is a guide for all stakeholders to understand the recognition landscape in India. As higher education institutions in the India respond to the growth of the IB, the booklet will be updated on a regular basis.

Overview of higher education in India

In India, “University” means a University established or incorporated by or under a Central Act, a Provincial Act or a State Act and includes any such institution as may, in consultation with the University concerned, be recognized by the University Grants Commission (UGC) in accordance with the regulations made in this regard under the UGC Act, 1956.

At present, the main categories of University/University-level Institutions are:

- Central University
- State University
- Private University
- Deemed-to-be University
- Institution of National Importance
- Institutions under State Legislature Act

There are 45 Central Universities, 318 State Universities, 185 State Private universities, 129 Deemed to be Universities, 51 Institutions of National Importance, and 4 institutions established under various State legislations. The number of colleges affiliated to these universities has also grown to 37,204, as on 31st March, 2013.

University Grants Commission

The UGC is responsible for providing funds, coordination, determination and maintenance of standards in institutions of higher education in India. It also serves as a vital link between the Union and state governments and institutions of higher learning and advises the Central and State governments on the measures necessary for improvement of university education. The universities in India are granted recognition by UGC in accordance with the regulations made under the UGC Act, 1956. Before enrolling to a university, students must check the recognition status of the university.

Applying to Indian Universities

Entry to undergraduate courses is based on the performance in grade 12 examination and/or entrance test. Entry requirements vary from university to university and course to course. Prior to commencing the DP, students and parents must be familiar with the required subject combinations and levels for the student’s future career path; this should ensure students' eligibility for particular professional courses. A student interested in studying an undergraduate course must make direct contact with the college or university he or she would like to attend to check specific course and entry requirements.

Most of the professional institutes in India today prefer to conduct entrance exams for selecting candidates. The entrance tests are in the month of April/May or June. While some institutes participate in a common entrance exam, others may conduct their own individual entrance exams. It is important to check the application deadline for each institution, as deadlines may vary. A number of universities in India accept students provisionally on the basis of predicted grades. Please talk to your school college counsellor or the IBDP coordinator to help you with the admission process.
Engineering

Admission to Undergraduate Engineering Programs at NITs, and other Centrally Funded Technical Institutions is based on the performance in the Grade 12/equivalent qualifying Examination and in the Joint Entrance Examination, JEE (Main).

For admission into IITs, the top 150,000 candidates who qualify the JEE (MAIN) exam appear for JEE (Advanced). Admissions is based only on category-wise All India Rank (AIR) in JEE (Advanced), subject to conditions as defined in JEE (Advanced) website.

A number of universities conduct their own entrance tests as well, students should refer to the university website for the most up to date information.

Medicine

There is a requirement to study three sciences (Physics, Chemistry and Biology) for studying medicine in India. The IB gives permission to students to take the three sciences. Students can explore two options; the first option is to take an additional science subject as an ‘extra’ certificate. Although this will come with extra work, the overall score for this extra course will not count towards the IB diploma score, and therefore the utility of taking the extra course is simply to satisfy the entrance requirements for the university requiring three sciences. The second option is to apply for a non-regular IB diploma, thus allowing three sciences to be completed, usually in lieu of a group 3 (Individuals and societies) subject. A candidate may be authorized to take a non-regular diploma only if the proposed higher education course allows no other alternative. The student must contact the IB coordinator at the school to proceed with this request. Please note that this request must be submitted to the IB Cardiff office (via the IB coordinator) at least 18 months prior to the examinations. Taking three sciences only helps meet the minimum entry requirements for studying Medicine in most colleges, students often will have to sit the entrance test which may require additional tutorials.

Admission to medicine is based on the entrance test, the All India Pre-Medical/Pre-Dental Entrance Test (AIPMT) for the 15% merit positions in the Medical/Dental Colleges of India. There are also State Governments/Universities/Institutions voluntarily participating in the All India Pre-Medical/Pre-Dental Entrance Test. A number of universities conduct their own entrance test. Students should check the university websites for details on the entrance tests required.

Accreditation

National Assessment and Accreditation Council, was established by the University Grants Commission to evaluate the quality of higher education in India. In addition to that, Professional councils are responsible for recognition of courses, promotion of professional institutions and providing grants to undergraduate programmes and various awards. There are 15 professional councils in India including All India Council of Technical Education (AICTE) which recognizes technical education in India and Medical Council of India (MCI) recognizes Medical education in India amongst others. Before enrolling for a professional course, students must check if the institute has the relevant accreditation.

Evaluation of Foreign Degrees

The Association of Indian Universities is a society which promotes universities activities. The Evaluation division of AIU is responsible for the work relating to equivalence of degrees/certificates
awarded by the accredited foreign universities/educational institutions. The Division also provides
information to foreign students to facilitate their admission in Universities/other educational
Institutions in the country.

Please note: Before enrolling to a university, students must check the recognition status of the
university.

Recognition of the IB Programmes in India

Since 1983 International Baccalaureate Diploma has been recognized by the Association of Indian universities as an entry qualification to all universities in India. With the requirement for percentage conversion by universities in India, students applying to Indian universities receive a transcript with IB grades and suggested percentages. In order to receive Indian Transcripts, students must notify their Diploma Programme (DP) coordinator of their plan to apply to an Indian university. The coordinator will then submit the request using the Request for results service on IBIS (secure website for IB coordinators). Students applying to Indian Universities can apply for an equivalence certificate from AIU upon release of their results, or apply directly to the eligibility department of the university they wish to attend. The International Baccalaureate Middle Years Programme has also been given equivalence with grade 10 of an Indian Board Assessment by the Association of Indian Universities. Students having completed the MYP can apply for admission for higher studies in any school or college in India.
Transcripts request analysis from schools in India and Indian universities

Documents required for admission to Indian Universities

Indian percentage transcript issued after the release of results to the DP coordinator at the school.

Migration certificate issued after IB exams in the month of May downloadable from IBIS (secure website for IB coordinators).

**Important to Note:** For students to get the documents from the IB, a request for an Indian transcript should be made through IBIS by the Diploma coordinator for the current exam session candidates before the results release. After results release students alumni should make the request directly through the link [http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/](http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/)

Character Certificate from school if applicable

Transfer certificate from School if applicable

**Note:** Since admission to most colleges in India take place much before the results are released, it may help students to take a copy of Association of Indian universities recognition statement, a copy of the recognition statement of the university if available, a letter from the stating the date of results release. Students must also take a copy of predicted grades with past performance in a sealed envelope for universities.
Appendices

Recognition statement by AIU for the Diploma Programme (1983)

ASSOCIATION OF INDIAN UNIVERSITIES
DEENDAYAL UPADHYAYA MARG, NEW DELHI-110009

K.C. Kalra
UNDER SECRETARY

Dear Mr. Blackburn,

Thank you for your letter of 10 August 1983 along with a copy of the IBD Handbook.

I have seen the tearsheet from the IBD handbook and find it in order except that the names of the Universities (Aijmer Medical School, Delhi; Hyderabad; Tamil Nadu; Pune) may not be produced. So the decisions on equivalence are taken by the Equivalence Committee consisting of Vice-Chancellors, the executives heads of universities, we have not come across a case where AIU opinion although advisory is not accepted.

The IBD Diploma is generally accepted by most of the universities, at par, with 12th class qualifications as recommended by the AIU. The students who intend to join the universities in this country after completion of their IBD qualifications may find any difficulty for assessments of their academic attainments. They are welcome to seek our assistance in case of difficulty.

We have suggested to Mr. Robert Claghton that the students who intend to join universities in this country might be given a copy of the following resolution adopted by the AIU:

"Resolved that the International Baccalaureate Diploma Examination awardd by the International Baccalaureate Office, Geneva, Switzerland be recognized as equivalent to a pass in the 12th stage of the new pattern of education (10+2)."

With best wishes,

Yours sincerely,

(K.C. Kalra)

Recognition statement by AIU for the Diploma Programme (2010)

The International Baccalaureate Headquarters
Route des Morillons 15
CH – 1218, Grand Saconnex
Geneva
SWITZERLAND

Dear Sir,

This has reference to your request dated 10th November, 2010 seeking clarification on the recognition of IB Diploma.

In this connection we would like to inform you that “International Baccalaureate Diploma” awarded by the International Baccalaureate Organization, Geneva, Switzerland, has been equated with +2 stage (Grade 12) qualification of an Indian Board since 1983.

Students intending to join Indian Universities after completion of their IB qualifications are eligible to pursue Bachelor’s degree programme at Indian Universities.

Those intending to join Professional Degree programmes at Indian Universities viz. medicine/engineering etc. are required to have studied the subjects of Physics, Chemistry, Biology/Mathematics and English at the qualifying level.

Students after obtaining their IB Diploma can obtain an Equivalence Certificate from this office which is issued on a remittance of equivalent amount of US $ 200, in Indian currency, in the form of Demand Draft only, favouring the ‘ASSOCIATION OF INDIAN UNIVERSITIES’, payable at the New Delhi branch of the issuing bank.

Thanking you,

Yours faithfully,

Sambhav Srivastava
Section Officer (EV)

New Equivalence Policy for the IB Diploma Programme by AIU (2016)

Following the meeting of the AIU’s Governing Council on 30th June 2016, the following amendments have been done for equivalence of IB Diploma Programme Qualifications.

**IB Diploma/Course (Certificate)** “AIU shall accord equivalence to both the IB Diploma and the IB Diploma Course (i.e. IB Certificate) provided that a student has secured a minimum of 24 credits and has passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL)”

The amendment can also be downloaded from [http://www.aiu.ac.in/Evaluation/Ammendments%20Equivalence.pdf](http://www.aiu.ac.in/Evaluation/Ammendments%20Equivalence.pdf)
Ms Priyamvada Taneja  
Development Manager  
International Baccalaureate Organization  
600 North Bridge Road  
Parkview Square  
Singapore 18778

Dear Madam,

This has reference to your letter dated December 5, 2012 on the parity of Middle Year Programme (MYP) conducted by International Baccalaureate Organization, Geneva, Switzerland.

Middle Year Programme (MYP) conducted by International Baccalaureate Organization, Geneva, Switzerland has been equated with Grade 10 of an Indian Board for the purpose of admission to higher studies in a school in India.

Candidates having passed the above examination can obtain equivalence from this office on a remittance of equivalent amount of US$ 200/- (in Indian Currency) in the form of Bank Draft favouring Association of Indian Universities payable at New Delhi.

Thanking you,

Yours faithfully,

(Sambhav Srivastava)

Sub: Equivalence to IB Diploma Programme with 12th standard of Indian Schools Boards i.e., CBSE and other recognized/approved State School Boards.

Sir,

2. It is informed that your proposal on the above subject was placed before the Equivalence committee and Governing Council of AIU for according equivalence of IB Diploma Programme with 12th standard of an Indian Schools Boards i.e., CBSE and other recognized/approved state school boards. The Governing Council of AIU has approved the proposal subject to fulfillment of the following criteria:

   **IBCP equivalence for General Strand (Arts, Science, Commerce, Law)**

   (a) Students graduating with 02 DP Subjects with at least 01 subject at HL Level and minimum 3 points in each DP subject.

   (b) Career Related Study (CRS) with at least 03 subjects.

   (c) International Baccalaureate Career Related Study (IBCP) qualification with Core components requirement awarded by International Baccalaureate (IB).

   **IBCP equivalence for Engineering or Medicine Strand**

   (a) Students graduating with 03 DP Subjects (Maths, Physics, Chemistry, Biology or other similar subjects) with at least 01 subject at HL level and minimum 03 points in each DP subject.

   (b) Career Related Study (CRS) with at least 03 subjects.

   (c) International Baccalaureate Career Related Study (IBCP) qualification with Core components requirement awarded by International Baccalaureate (IB).

This is for your information and necessary action.

Yours faithfully,

Kuldip Dagar

Recognition by COBSE for the Diploma Programme

Council of Boards of School Education in India
6H Biglo’s Tower, A-8 Netaji Subhash Place, Ring Road, Delhi-110034

Ref. No.COBSE/C.99/2014

16 April 2014

Ms. Priyamvada Taneja
Development Manager, India
International Baccalaureate Organization
Singapore Branch,
IB Global Centre
North Bridge Road, Park View Square
Singapore-188778.

Subject: Verification/ equivalence of IB Diploma

This is in reference to the equivalence of the International Baccalaureate Diploma for equivalence to Grade XII qualification in India.

COBSE grants membership to boards/institutions that are set up by an Act of Parliament or State Legislature or by an Executive Order of the Central/State government, and follow the National Curriculum Framework/ CBSE. On the basis of this, the genuineness of a board can be concluded. The Associate Members are also granted membership on verifying the syllabus/ curriculum and system of examination. The certificates issued by its member-boards/ Associate Members are equivalent to any other member-board across the country.

As an Associate Member of COBSE, the qualifications awarded by International Baccalaureate Organization are equivalent to Grade XII of an Indian Board/ Council. The equivalence has already been granted by Association of Indian Universities.

Yours sincerely,

Puran Chand
General Secretary

Council of Boards of School Education in India
6H BigJo’s Tower, A-8 Netaji Subhash Place, Ring Road, Delhi-110034

Ref. No. COBSE/C.99/2014

21 January 2014

Dear Sir/ Madam,

Subject: Equivalence to MYP of the International Baccalaureate

This is in reference to this office letter dated 15th March 2013 regarding grant of equivalence of the Mid-Year programme (with 5 subjects) of the International Baccalaureate to Grade-10 of Indian Boards for the purpose of pursuing higher studies.

This is to inform you that in response to the request, the Maharashtra State Board of Secondary & Higher Secondary Education, Mizoram Board of School Education, National Institute of Open Schooling and the Association of Indian Universities have already issued a letter of equivalence to the Middle Years Programme of the International Baccalaureate. A copy each of the letters issued so far by the member-boards and the Association of Indian Universities is enclosed herewith for your kind perusal and reference.

Based on the equivalence already given by the member-boards and the Association of Indian Universities, COBSE recommends that the MYP programme of the International Baccalaureate, an Associate Member of COBSE, be treated at par with Grade 10 by all other member-boards of COBSE. In case you need any further clarification or information, in this regard, please feel free to write to Ms. Priyamvada Tanuja, Development Manager, India, International Baccalaureate Organization (Singapore Branch), 18 Global Centre, 600 North Bridge Road, Parkview Square, Singapore-188778 (Email: priyamvada.tanuja@ibo.org; Mob: 09717828484) under intimation to this office.

With regards,

Yours sincerely,

(Edt/-)

Suggested Conversion for Higher Education for students applying to Indian Universities

International Baccalaureate Diploma has been recognized by the Association of Indian Universities as an entry qualification to all universities in India. With the requirement for percentage conversion by universities in India, students applying to Indian universities receive a transcript with IB grades and percentages within 1 working day from the release of results for the May and November session exams. The table below provides the range of IB grades to percentage scores. Universities in India ask for percentage conversion of the predicted grade transcript as well at the time of admission, schools may use this suggested conversion for calculating the equivalent marks on a scale of 1-100 by giving the midpoint of the range indicated for a particular grade.

Provost

To

Priyamvada Taneja,
Development Manager, India
15 Hoe Chang Road
#11-04/05/06 Tower Fifteen,
Singapore 089316

September 12, 2012

Dear Ms Taneja:

Kindly refer to your letter of August 01, 2012 regarding the issue of recognition of IB Diploma as equivalent to 10+2 certificate issued by any Indian School Board for admission consideration at Ahmedabad University. This issue was discussed in the Academic Council meeting of the University in its meeting on August 27, 2012. The Academic Council of the University has decided to approve your Diploma for admission to the programme as equivalent to 10+2 school certificate of any Indian school board.

Regarding the provisional admission to the IB students, we are unable to make a commitment at this point of time as all admissions are based on the University norms as well as the Government of Gujarat directives.

With best wishes,

Yours sincerely,

[Signature]

AH Kalro
## AMITY UNIVERSITY IB DIPLOMA POLICY

<table>
<thead>
<tr>
<th>Admissions Statement</th>
<th>Amity values the International Baccalaureate Diploma Program and welcomes applications from IB students to begin their journey and become part of Amity University.</th>
</tr>
</thead>
</table>
| Admissions requirements | 1. IB Diploma students with a minimum score of 24 points and with no failing conditions are eligible to apply. In addition, the requirement of having studied the subjects specified for professional degree programs/other graduate programs in Admission Prospectus [http://www.amity.edu/Admission/admission_prospectus.pdf](http://www.amity.edu/Admission/admission_prospectus.pdf) is to be fulfilled by the applicant.  

2. In case the IB Diploma result is awaited, the student should submit his application with past performance of Class 10th Admission to most courses will be based on the academic performance till last qualifying examination, Written Test and Personal Interview.  

3. Provisional offer of admission will be made subject to meeting the minimum requirement of award of IB Diploma with 24 points and no failing conditions. Submission of IB transcript, grades to percentage equivalence document and migration certificate on the date of commencement of program (between 2nd week of July to 1st week of August 2011) to which provisional offer of admission has been made failing which the provisional offer of admission will stand cancelled. |
| Other requirements | Indian students studying the IB Diploma in India have to apply for undergraduate courses through the normal procedure mentioned on the [http://www.amity.edu/Admission/application_procedure.asp](http://www.amity.edu/Admission/application_procedure.asp)  
Non Resident Indian/Foreign citizens studying the IB Diploma program overseas can apply directly to the university by a postal application. |
| Procedure for Admission for Foreign and NRI students | For any discipline, applicant must have completed 12 years of formal schooling. Students meeting the eligibility criteria as prescribed in the Admission prospectus would be shortlisted for appearing in selection process. Details of selection process is available in Admission prospectus. [http://www.amity.edu/Admission/admission_prospectus.pdf](http://www.amity.edu/Admission/admission_prospectus.pdf) |
Evidence of required academic performance must be in the form of certified English transcripts listing all the courses with grades or marks earned. Transcripts in languages other than English are not acceptable.

Provisional Offer of Admission will be given to short listed applicants subject to confirmation based on the following:

1. Student visa endorsed to Amity University for joining full time Course. No other endorsement will be accepted. The visa should be valid for the prescribed duration of the course.
2. Submission of Medical Test Report within a week from the date of admission from a Registered Medical Practitioner OR a Medical Practitioner nominated by Amity University.
3. Adequate Medical Insurance Cover.
4. All Foreign / NRI students will be required to register themselves with the concerned District Foreigners Registration Officer / Foreigners Regional Registration Officers, within 14 days of your first arrival in India.

Sub: Recognition of International Baccalaureate Diploma Programme (IBDP)

Dear Mr. Sudhakar,

With reference to your letter dated April 10, 2019 requesting to recognise International Baccalaureate Diploma, awarded by International Baccalaureate Organisation, Geneva, Switzerland, has been recognised equivalent to Class 12 examination conducted by approved board.

The candidate who has cleared above examination is eligible to seek admission to undergraduate programmes of Anant National University, Ahmedabad subject to meeting eligibility criteria and admissions requirements in force.

Warmly,

[Signature]

Dr. Paras Vyas
Head Admissions and Outreach

Anant National University
IB student policy & procedure for admissions

1. Admissions Statement

Annapurna International School of Film and Media (AISFM) values the International Baccalaureate Diploma Programme and its engaging and challenging curriculum, which encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

2. Admissions Requirements

Each year, AISFM selects a diverse group of applicants to join our student body. We look for applicants who show both creativity and an appetite for academic rigor and can balance productive expression with collaboration and teamwork.

For IB students, there is no minimum requirement of total scores or particular course credits for admission to AISFM bachelor's programs. All students who have been or will be awarded the Diploma of the International Baccalaureate are eligible to apply.

In assessing your application, our admissions department will review your predicted IB score, as well as the results of our own entrance exam, interviews and practical exercises.

For complete application details and course brochures, please contact the admissions department at info@aisfm.edu.in.

3. Admission Procedure

Our admission procedure is designed to provide applicants with a range of opportunities to demonstrate their strengths and interests.

3.1. For Domestic Students

The four steps are

1. Entrance Exam
2. Group Discussion and Presentation
3. Personal Interviews
4. Group Practical Activity

While the admission steps are usually held over multiple weekends, IB students will be provided with the opportunity to complete the entire procedure in a single day.

3.2. For International Students

International students (holding a non-Indian passport and located outside India) have the option of applying through:

1. Online entrance exam
2. Video call interviews

International students will need to submit their certificates for equivalence assessment, before any final offer can be made.

4. Scholarship and Advanced Standing

4.1. Scholarships

AISFM provides partial scholarships from the 2nd semester of the course onwards, based on academic performance in the previous semester.

For more information, please call the admissions department.

4.2. Advance Standing / Placement

AISFM does not offer advance standing, credit or placement in any courses.

5. Documents Required for Admission

AISFM requires that Indian students submit the following documents at the time of admission. While students may join AISFM on the basis of a conditional offer letter, the final university enrollment will not be confirmed until all documents are submitted:

- Class X certificate
- IB transcript
- Migration certificate
- Transfer certificate
- Conduct certificate

6. Additional Information

- Academic session starts in the month of July every year.
- Intake into the school happens once a year. The admission process usually begins in October, for the following year.

NO OBJECTION CERTIFICATE

Subject: International Baccalaureate Diploma Programme - eligibility for admission to UG study under the University - requiring.

Ref: Mail communication received from the office of the IB Global Certification 01/01/20.

This is to inform you that the University has no objection in considering the diploma programme IBDP (International Baccalaureate Diploma Programme), approved by the office of the Commissioner for Entrance Examinations, as equivalent to Higher Secondary Examination, for the purpose of applying for Kerala Engineering and Medical Courses.

IBDP qualified candidates can be admitted to under graduate programmes (B.Tech, B.Arch, B.Dia, and B.H.Sc) under the University, subject to their satisfactory fulfillment of the other programme-wise eligibility conditions.

It is also informed that since the process of issuing equivalency/nomination certificate under the University is yet to begin, the list of approved courses are not given in the website of the University.

Yours,

Dr. Padmakumar GP

The Commissioner for Entrance Examinations,

3rd floor, KSHB Building, 53, Kottiyar Road, Surathkal, Thiruvananthapuram - 695002.

Policy for International Baccalaureate
Office of Admissions, Ashoka University

1. Admissions Statement
Ashoka University values the International Baccalaureate (IB) Diploma Programme, and its engaging and challenging curriculum that encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

2. Admissions Requirements
We aim to admit a diverse and balanced batch of students who will bring a wide range of life experiences to Ashoka. Our application process is designed to showcase your strengths and assess your potential to contribute to our academic and community life. We look for authenticity and excellence – of any kind. We look to see if you have shown concern for others, an ability to work collaboratively, and maturity in your life so far. We look for students with a demonstrated passion and ability for intellectual engagement as well as an abiding interest in the world beyond the classroom.

Ashoka University has a holistic and rigorous admissions process, but there is no minimum requirement of total scores or course credits for entry to any of the courses at Ashoka. All students who will be awarded “The Diploma of the International Baccalaureate” or have already been awarded the same are eligible to apply to Ashoka.

We base our admissions decision on the predicted score submitted by the student’s school to us, academic performance in senior school, extra-curricular activities and two essays that are mandatory as a part of the application form. We expect the student to share the IB results as soon as they are declared. A considerable difference in the final and predicted results may lead to reconsidering our admission decision. In such cases, we will issue a conditional offer, in advance.

English is the official language of instruction at Ashoka University. All prospective students must demonstrate competency in the English language prior to admission.

3. Admissions Procedure

3.1 Procedure for Admissions
We have in place a holistic selection process aimed at determining both the fulfilled and potential merit of an applicant. Unlike the current system for admissions in India, we do not rely on cut-off marks alone. Academic scores will be consolidated by attention to personal essays, extra-curricular achievements and expressions of intellectual curiosity. Every shortlisted candidate will also be interviewed. To know more about our admissions process log on to:
http://ashoka.edu.in/Admissions/Undergraduate/Admissions-Process

3.2 International/Foreign Student Admissions:
All students (domestic or international) follow the same admissions procedure.

4. Special Considerations, Credit and Advancing Standing

4.1 Scholarships
Ashoka is committed to providing financial aid to all deserving students. Our post-graduate programme, Young India Fellowship is a showcase of our commitment to making a liberal education accessible to all.
Financial Aid at Ashoka will be in the form of need-based scholarships, which means that the amount of scholarship awarded will be related to a student’s financial need. These scholarships will either be full or partial scholarships of 100, 50 and 25%, which will cover the tuition fees of the recipient. Please note that the scholarship will not cover accommodation and other living expenses except in exceptional circumstances.

Students must apply for scholarship at the time of application to the University.

Points to keep in mind:
- Aid at Ashoka is only in the form of grants (scholarships) and not loans.
- Ashoka offers scholarships based on need of the student (merit will lead to admission).
- Applicants from the state of Haryana will be given special consideration for all opportunities as per the Private Universities Act of Haryana.

4.2 Awarding Credit and Advanced Placement:
Ashoka University recognizes III achievement by awarding credits that may be counted towards the number of courses required for graduation. Out of the 32 credits required for graduation from Ashoka University, not more than two may be satisfied by III credits. Ashoka University recognizes the 12 higher level examinations, when awarding credit, course exemptions and placement.

Credits may not be used for exemption from Ashoka Foundation Courses. Awarding credits for departmental classes is the final discretion of the respective department chair.

The official International Baccalaureate transcript is required in order to award credit.

4.3 Core Requirements:
We do not offer additional elective credits for the core requirements of the III Diploma Programme. The core requirements can be used to enhance a student’s candidature in other sections of our application.

4.4 Advanced Standing:
To be eligible for advanced standing a request must be made at the time of application. Final decisions on the same will be made in consultation with the academic advisor assigned to the student.

5. Additional Information

- Request for transcripts of final results and other documents: Ashoka University requires the student to submit the Indian transcript, migration certificate, and transfer certificate at the time of admission.
- Academic session starts in the month of August, every year.
- Intake into the University is once a year. Admissions process usually starts in October, for the following year.

Auro University is committed to providing a well-rounded and integrative learning experience at the undergraduate level in a multiplicity of disciplines. The depth and rigor of the IB curriculum, in our view, provides an excellent platform for those seeking to join our university.

Recognition of IB Diploma

AURO University encourages IB students to apply. We recognize the IB Diploma and there are no mandatory courses which are prerequisites for admission to AURO University. For admission purposes, the IB Diploma is considered the equivalent of Class XII of any Indian state board, ICSE or CBSE and all IB students have equal opportunity for admission. We have waived the requirement of submitting predicted grades for students applying from IB schools within India.

Selection Procedure

Applications will be shortlisted based on:

- Past academic credentials,
- Completion of Application Form including Statement of Purpose,
- Writing skills,
- Personal Interview
Eligibility Criteria

- Successful completion of Class XII (10+2) or equivalent examination in any stream with 50% aggregate marks or equivalent grade. Students expecting their results by July 2016 may also apply for provisional admission.
- Students appearing for their Class XII examination will be given provisional admissions based on their Class X performance.
- Any IB student who has received IB diploma needs to produce an equivalence certificate issued from Association of Indian University (AIU) which must be attached with the application form.

About AURO University

AURO University was established in 2011 as a private University and is inspired by the vision and teachings of Sri Aurobindo Ghosh and The Divine Mother. AURO University is grounded in value based education and imparts integral learning and leadership, where the mind, body and spirit are aligned and prepared to embark on a journey of lifelong enrichment for both, the individual and the community.

AURO University imparts quality education in Management, IT, Law & Hospitality Management. From academic year 2017 the University is planning to launch the Schools of Social Science and Liberal Arts.

Subject: Recognition of International Baccalaureate Diploma (IB Diploma)

With reference above & as per letter no: EV/III[224]/2010/1747, December 14, 2010 of Association of Indian Universities, New Delhi, an International Baccalaureate Diploma awarded by International Baccalaureate Organization, Geneva, Switzerland has been equated with +2 stage (Grade 12) qualification of an Indian Board. I would like to inform you that it has also been recognized by BML Munjal University, Gurugram.

The students intending to join our university after completion of their International Baccalaureate Diploma qualifications are eligible to pursue bachelor’s degree programme.

Those intending to join professional degree programme in our university viz engineering etc. are required to have studied the subjects of Physics, Chemistry, Biology Mathematics and English at the qualifying level.

The students after obtaining their International Baccalaureate Diploma can obtain an equivalence certificate from the office of Association of Indian Universities, New Delhi after payment of prescribed fee.

The candidates who have passed the above cited examination are eligible to seek admission for higher studies in our university subject to the conditions stipulated by the respective regulations for admission to the course.

Sincerely,

Registrar
Eligibility

Minimum Qualifications & Eligibility Criteria

Candidate will have passed the qualifying examination (Higher Secondary School Certificate Examination, Standard XII, 10+2 pattern) or its equivalent Examination) with Mathematics, Statistics or Business Mathematics as one of the subjects, with minimum 50% marks (45% for SC/ST/SEBC category) in aggregate (calculated based on all the subjects including languages, optional, practicals, etc.) from Gujarat Board, or other state boards, CBSE/CICSE/WBSCE/MPBSE. Or a candidate will have passed the Diploma (10+3 pattern) of any stream with 50% aggregate marks from Technical Examination Board of Gujarat or other state or from a university established under section 3 of UGC Act, 1956 and have scored at least 40% marks in National Aptitude Test in Architecture (NATA) will be eligible for admission and will be included in the merit list prepared for admission.

Eligibility

Minimum Qualifications & Eligibility Criteria

Candidates will have passed XII Standard Higher Secondary Certificate Examination of Gujarat State in Science Stream (or its equivalent in CBSE/CICSE/WBSCE/MPBSE) with Physics & Mathematics as compulsory subjects and Chemistry / Biotechnology / Biology / Computer as optional subject(s) at highest pass level securing a minimum aggregate score of 50% for all subjects (45% for SC/ST/SEBC candidates). In all the cases, aggregate will be calculated based on all the subjects including languages, optional, practicals, etc. Failure in any subject disqualifies the candidate. Applicants having equivalent qualifications other than those stated above will have to submit an attested copy of equivalence certificate along with the application.

Candidates awaiting HSC result and candidates who have applied for verification/reevaluation of marks may also apply. Such candidates will have to produce a certificate from the principal of the high school that the candidate has appeared in the XII Standard examination of the Science Stream. The candidate must submit final mark sheets on or before the stipulated date and time and satisfy the minimum requirements failing which admission will not be granted.
Christ University, Bangalore

Christ University welcomes International Baccalaureate® (IB) students to apply to their undergraduate programmes. Admission to all programmes is based on academic achievement and Christ University Selection Process.

http://www.christuniversity.in/international-student-category

International Student

One who falls under at least one of the following categories can apply only under International Student Category.

1. Foreign citizens
2. PIO card holders
3. OCI (Dual Citizens)

Christ University welcomes all Foreign Nationals including International Baccalaureate® (IB) students to apply to our undergraduate programmes. Admission to all programmes is based on academic achievement and Christ University Selection Process. Provisional Admission will be given to students based on predicted grades along with the transcript detailing percentage equivalence from the school last attended. Candidates should submit the final results of class XII on or before July 30th of the admission year.
COUNCIL OF ARCHITECTURE

REVISED GUIDELINES ON ADMISSION TO THE FIRST YEAR OF 5-YEAR FULL-TIME BACHELOR OF ARCHITECTURE (B.Arch.) DEGREE COURSE FROM THE ACADEMIC SESSION 2007-2008 AND ONWARDS.

2.0 ELIGIBILITY for Admission

No candidate, with less than 50% marks in aggregate, shall be admitted to the architecture course unless he/ she has passed an examination at the end of the new 10+2 scheme of Senior School Certificate Examination or equivalent with Mathematics as subjects of examination at the 10+2 level.

or

10+3 Diploma (any stream) recognised by Central/ State Governments with 50% aggregate marks.

or

Ref. No.: DPU/145/2011

Date: 17/12/2011

Subject:- Recognition to IB Diploma Programme.
Reference:- Your E-mail dated 8th December 2011

Madam,

With reference to your e-mail dated 8th December 2011, I am pleased to inform you, that Dr. D. Y. Patil Vidyapeeth, Pune has recognized the IB-Diploma Programme of International Baccalaureate Organization, Geneva, Switzerland equivalent to (10+2) qualification /HSC examination of any recognized Board/ University after 12 years of study, at the meeting of its Board of Management held on 8th December 2011. However, to secure admission to Professional Courses it will be necessary for the school, which is recognized to offer IB Course, to get permission for the students to offer three science subjects instead of two which is the normal IB Practice. Furthermore, such students shall obtain an Equivalence Certificate from the Association of Indian Universities (AIU).

The admission for all the Domestic IB-Diploma students to any Programme Offered by Dr. D. Y. Patil Vidyapeeth, Pune is through All India Common Entrance Test (AICET) organized by Dr. D. Y. Patil Vidyapeeth, Pune which will be held in the Month of May/ June every year and notified through All India Newspapers and through the University Website - www.dpu.edu.in minimum two months prior to the Entrance Examination.

Admission for International IB-Diploma students to any Programme Offered by Dr. D. Y. Patil Vidyapeeth, Pune is through NRI/PIO/FN Category - Candidates under this category do not require to appear for AICET. Admission will be made in the basis of inter-se-merit as determined by Admission Committee appointed for the purpose by the competent authority.

The deadlines for application will be announced in the Calendar of Events of every programme on the University Website. However, the admission process ends by 30th September of every year.

This is for your information & necessary action.

Thanking you,

Yours faithfully,

(Registrar)

Sub: Acceptance of IB Diploma as one of the eligibility criteria for admission to B.Tech. Programs

Madam,

This has reference to your letter dated 9th February, 2011 on the above subject. In this context, I am directed to say that the matter of including IB Diploma as eligibility condition for admission to B.Tech. programs from the academic session 2012-13 has been considered by the Competent Authority of the University and approved. Accordingly, I convey the acceptance of IB Diploma as eligibility condition for admission to B.Tech. programs from the academic session 2012-13 and onwards.

Yours faithfully,

(Dr. K. Singh)

Dear Ms. Taneja,

This is with reference to your communication to our Director, Prof S.C. Sahasrabudhe, regarding acceptability of the International Baccalaureate (IB) qualification for admission to the B.Tech (ICT) program of DA-IICT.

As stated in the admissions policy of DA-IICT appearing on our website, a candidate must have passed the final examination of 10+2 (class XII) or its equivalent with Mathematics, Physics and anyone of Chemistry / Bio-Technology / Computer Science / Biology. It is further stated that any Public School / Board / University examination in India or in foreign countries recognized by the Association of India Universities as equivalent to the 10+2 system is accepted. As such students with the IB qualification are eligible.

I would further like to inform you that we have admitted several such students for the 2012 batch and in prior batches. The candidate has to follow the admission procedure for Indian nationals or for International / NRI students as described on our website.

Yours sincerely,

[Signature]

Prof. Samaresh Chatterji
Undergraduate Programs

Minimum Eligibility

The minimum eligibility to apply to FLAME University’s undergraduate programs is the following:

- You must have passed Higher/Senior Secondary School (10+2) or its equivalent examination from a recognized school/board with at least 45% marks, with English as one of the subjects.
- Candidates in their 12th standard or equivalent class can also apply, provided they would be completing their final examination before 30th May, and can produce their 12th pass certificate/mark sheet before 30th September. Admission of such a candidate shall be strictly provisional till s/he submits the qualifying certificates before the prescribed last date.
- If you wish to pursue BBA subsequently, 45% marks is a minimum requirement in 12th Standard.
- For International Baccalaureate students, a diploma is the minimum requirement. An International Baccalaureate certificate student is not eligible for admission.

22 February 2011

Dear Ms. Taneja,

I am writing in response to your mail of December 7, 2010. We would be happy to consider the IB Diploma Examination to be equivalent to the II PUC/12th standard examination for the purpose of admission to our undergraduate programme. However, please note that this programme is at present open only to students holding Indian passports and they have to qualify for admission through a national examination such as KVPY, IIT-JEE, AIEEE and AIPMT. If a student is selected for admission and the results of the final examination are not available at the time of counseling (third week of June 2011), his/her admission will be provisional. When classes start in the first week of August 2011, the student will have to produce a marks card that confirms that he/she has studied Physics, Chemistry and Mathematics as main subjects and received a first class (60%) or equivalent grade in the final examination.

Please feel free to contact me if you need more information.

With best regards,

Sincerely,

Chandan Dasgupta
Dean, Undergraduate Programme
5.3 Qualifying Examination (10+2 or Equivalent)
Candidates seeking admission to IIST should have passed their Qualifying Examination, with Physics, Chemistry and Mathematics as subjects of the curriculum. Candidates belonging to GEN and OBC categories must secure an aggregate of at least 70% marks in Physics, Chemistry and Mathematics (PCM) in the qualifying examination and those belonging to SC/ST/PG should have an aggregate of at least 60% marks in PCM subjects in the qualifying examination.

The qualifying examination should be any of the following:

(i) The final examination of the 10+2 system, conducted by any recognized Central/State Board, such as Central Board of Secondary Education (CBSE), New Delhi, Council for Indian School Certificate Examination (ICSE), New Delhi, etc.

(ii) Intermediate or two-year Pre-University examination conducted by a recognized Board/University.

(iii) Final examination of the two-year course of the Joint Services Wing of the National Defence Academy.

(iv) Vocational Higher Secondary Examination.

(v) Senior Secondary School Examination conducted by the National Institute of Open Schooling with a minimum of five subjects.

(vi) Any Public School/Board/University examination in India or in any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).

(vii) General Certificate Education (GCE) examination (London / Cambridge / Sri Lanka) at the Advanced (A) level.

KiiT International School
(Under the Management of Kalinga Institute of Industrial Technology)
Bhubaneswar

KiiT University Admission and the IB Diploma

KiiT University values the International Baccalaureate Diploma Programme because it has a reputation for high-quality, challenging programmes of education that develop internationally minded young people to be well prepared for the challenges of life in the 21st century. We encourage IBDP students to submit their application in order to begin their journey to become part of KiiT University.

Who can apply?
Indian students studying the IB Diploma in India have to apply for undergraduate courses through the normal procedure described below. If you are a NRI, PIO, or foreign citizen studying the IB Diploma Programme overseas, you can apply directly to the university online. The admission is based on your courses selected and marks achieved on the IB Diploma. Normally, foreign passport students do not need to take the entrance test.

Admission requirements
Admission to KiiT University is highly competitive. In general, admission to most courses is based on the performance in the IB Diploma Programme. Diploma Programme students must have secured at least 24 points (without any failing conditions) in order to begin the application process. Specific programmes at KiiT may require an entrance test.

Undergraduate courses

For B. Tech. (4 years)/B. Tech. & M. Tech. Dual Degree (5 years)/B. Tech. & MBA-Dual Degree (5 years) Course:
Candidates should have achieved an IB Diploma (24 points, with no failing conditions).
Candidates should have taken Physics HL, Chemistry HL, and Math HL, achieving at least a 4 in each.

B. Tech. & M. Tech. (Dual Degree) Biotechnology: candidates should have taken Physics HL, Chemistry HL and Math HL/Biology HL and achieved at least a 4 in each.

For B. Tech. (3 years):
Candidates should have achieved an IB Diploma (24 points, with no failing conditions).
Candidates should have taken Physics, Chemistry and Mathematics, achieving at least a 4 as a HL or SL subject.

BBS/BDS:
Candidates should have achieved an IB Diploma (24 point, with no failing conditions).
Candidates should have taken Physics HL, Chemistry HL, Biology HL & English and Mathematics, achieving at least a 4 in Physics.

B. Sc. Nursing (4 years):
Candidates should have achieved an IB Diploma (24 point, with no failing conditions).
Candidates should have taken Physics, Chemistry, Biology & English, and achieved an aggregate average of 4 points in each subject.
KiiT University Admission and the IB Diploma cont’d (page 2 of 2)

B.A.L.L.B/B.B.A. LL.B/B.Sc. LL.B (5 years):
Candidates have achieved an IB Diploma (24 point, with no failing conditions).
For B.Sc. LL.B. candidates should have taken any combination of 2 sciences (Physics, Chemistry, Biology, Ecosystems and Societies) and achieved an aggregate average of 4 points in each subject.

B.B.A/B.C.A (3 years):
Candidates should have achieved an IB Diploma (24 point, with no failing conditions).
Candidates should have taken any combination of Mathematics with Economics HL or Business and Management HL, achieving at least a 4 in both subjects.

Bachelor of Fashion Design (4 years):
Candidates should have achieved an IB Diploma (24 point, with no failing conditions).
Candidates who have taken Group 6 subjects such as Visual Art, Film, or Theatre Art at SL or HL are preferred.

Bachelor of Film & Television Production (3 years):
Candidates have achieved an IB Diploma (24 point, with no failing conditions).
Candidates who have taken Group 6 subjects such as Visual Art, Film or Theatre Art at SL or HL are preferred.

Procedure for admission
IB results are declared on July 5th worldwide and are made available to KiiT University by July 10th. IB students applying to KiiT University will be accepted on predicted grades, personal merit (based on references and letters of recommendation), vacancies for the course selected, and passing of pre-admission tests (where necessary). Students will submit all application material in scanned electronic format, including proof of past performance in Grade 10 and 11.
KiiT University also requires all students to obtain the South Asian Transcript and a migration certificate and submit it to us before the semester begins by first week of August. These documents can be obtained through your school IB Diploma Programme Coordinator via IBIS.

Sub: International Baccalaureate Diploma eligibility for higher studies reg:

Ref: Your email dated 18 February 2019.

With reference to the above, I am to inform you that the International Baccalaureate Diploma awarded by the International Baccalaureate Organization, Geneva, Switzerland has been recognized way back in 2007 as equivalent to the then existing Pre-degree course of the University. Pre-degree was later delinked from the University and Higher Secondary course under the State Board of Higher Secondary Education came up in its place. On the basis of the recognition already granted, IB Diploma holders are eligible for admission to UG programmes in this University subject to their satisfactory fulfilment of other programme-wise eligibility conditions.

It is also informed that the University has listed the IB Diploma in the List of Recognised Courses in the University website www.mgu.ac.in and has also included the same as admission eligibility for undergraduate programmes in the UG CAP admission portal. Students can apply online for eligibility certificate for IB Diploma through www.mgu.ac.in> Online Certificate > Eligibility Certificates and selecting IB Diploma Programme from the drop down box and by proceeding as per instructions.

Manipal Academy of Higher Education (MAHE) is synonymous with excellence in higher education, offering Under Graduate (UG), Post Graduate (PG), Super Speciality (SS) and PhD degree, with 300+ programs under 23 different streams, through 25+ institution/department. 33,000+ students from 65+ different nations live, learn and play in the sprawling University town thus making Manipal a global cosmopolitan destination for multi-disciplinary education. It has 2500+ faculty and 10,000+ support and service staff, who cater to the various professional institutions in Health sciences, Engineering, Management, Communication and Humanities which dot the Wi-Fi-enabled campus. Every institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

With the recent prestigious Institute of Eminence (IOE) status by Ministry of Human Resource Development (MHRD), Govt of India (GOI), MAHE is synonymous with excellence in higher education. It is also the only university in India that has more than 5 institutes ranked by NIRF, MHRD, GOI.

MAHE admits students with International Baccalaureate (IB) diploma / certificate qualifications for the various Under Graduate (UG) programs. The Association of Indian Universities (AIU), New Delhi has recognized IB qualification as equivalent to the 10+2 of India.

NOTIFICATION: 16/2019

The NIOS is giving accreditation for Academic course to State and Central Boards. The Edexcel (Pearson), International Baccalaureate and University of Cambridge recognized school have been given equivalence by Association of Indian Universities (AIU). These centres have been granted recognition to conduct GCE, GCSE International GCSE International Advanced Level Examination and are having proper infrastructure at par with CBSE.

In pursuance of the recommendations of the 114th meeting of the Accredited Advisory Committee held on 28th December, 2018, the Competent Authority of NIOS has approved that the Edexcel (Pearson), International Baccalaureate (IB) and University of Cambridge recognized school and also having equivalence of Association of Indian Universities (AIU) for Secondary and Senior Secondary for Academic, Vocational and other courses of NIOS be given accreditation at par with CBSE. The procedure would remain the same at par with CBSE affiliated schools with regard to the accreditation process.

This issues with the approval of the Competent Authority.

Madam,

With reference to above, I am pleased to inform you that Nirma University has already recognized the Diploma programme of International Baccalaureate Organization, Switzerland as equivalent to 10+2, long ago in year 2004 for admission to various Under Graduates programmes offered by the Institutes under the University.

However, please note that for admission into courses like B. Tech and B. Pharm the students can be considered eligible if they have studied Physics, Chemistry and Mathematics / Biology as the case may be, with the minimum marks prescribed by the Government of Gujarat from time to time.

Yours Sincerely,

D. P. Chhaya

O P Jindal Global University

http://www.jgls.edu.in/content/information-overseas-applicants

Administers Admission for One Year Residential LLM Programme 2015-2016 based on CLAT

Information for Overseas Applicants

Admission to the first year BA LLB (Hons.), the year BBA LLB (Hons.), three year LLB and one year LLM programmes at JGLS will be done on merit based on performance in the Law School Admission Test—India (LSAT—India), LSAT—India is an all India entrance test designed by the Law School Admission Council (LSAC), USA and is conducted by Pearson VUE, LSAC’s Affiliate. It will cover logical reasoning, analytical reasoning and reading comprehension. A sample test is available on the LSAT—India website: www.pvantweeinds.com/indiadta.

International students who are not able to write the Entrance Test i.e. LSAT—India Exam in India have an option to write the Law School Admission Test (LSAT) Exam conducted by Law School Admission Council (LSAC). The LSAT is a half-day, standardized test administered four times each year in February, June, October and December at designated testing centres throughout the world. LSAT scores are also accepted for admission to JGSL. For details regarding this exam you can visit www.lsac.org.

Admission to Jindal Global Law School is not possible without submitting LSAT — India scores or LSAT scores conducted by LSAC.

As part of the second step, the prescribed JGLS/JGSL application form. The Application Fee for international students is USD 30, the cheque to be made in favor of O P. Jindal Global University. An online JGSL/JGSL application is also available on the website: http://www.jgls.edu.in/content/admission-information.

The Counselling at Jindal Global Law School is open for a Foreign national or NRIPD student as well an Indian student. You should visit the relevant section on the website for fee details of the programme of your choice.

The law School admits students from all nationalities who have studied from International Boards like A Level or Cambridge GCE or the officially Recognised Boards or Universities/College of other foreign countries.
Pandit Deendayal Petroleum University (PDPU)

PDPU SCHOOLS

SCHOOL OF TECHNOLOGY

School of Technology intends to focus on technological education, research and service that anticipates and meets the need of tomorrow's world. It is expected that engineering graduates from School of Technology will care about issues that technology can make difference whether these issues are health, security, economic well-being or sustainability of world and values.

- About School
- Campus
- Faculty
- SOT Alumni
- Academic Calendar

- Candidate must have passed any of the following qualifying examinations; with English as one of the subjects
- The +2 level examination in the 10+2 pattern of examination of any recognized Central/State Board of Secondary Education, including Central Board of Secondary Education, New Delhi, and Council for Indian School Certificate Examination, New Delhi.
- Intermediate Science or Two-year Pre-University Examination conducted by a recognized Board/University.
- Final Examination of the two-year course of the Joint Services Wing of the National Defense Academy.
- General Certificate Education (GCE) Examination (London/Cambridge/Sri Lanka) at the Advanced (A) level
- High School Certificate Examination of Cambridge University
- International Baccalaureate Diploma Program.
School of Liberal Studies (PDPU) - IB recognition policy

I. Admissions Statement

School of Liberal Studies (SLS), Pandit Deendayal Petroleum University (PDPU), offers a 4-year UG program in B.A. (Hons.), B.B.A. (Hons.) and B.Com. (Hons.). SLS values the International Baccalaureate Diploma Programme and its engaging and challenging curriculum, which encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

II. Admissions Requirement

Determining the entry requirements for your university

Admission to SLS is competitive, and in general admission to most courses is based only on performance in the entrance test. The scores from any board are not considered while drawing the merit list.

Students can apply for any course and there are no pre-requisites for the same. The only exception is B.Com. (Hons.) for which the student should have studied Accounting for 2 years prior to joining university.

Use of predicted grades and past performance:

To make admission process very simple for IB students, we have waived the requirement of submitting predicted grades. We directly offer a “provisional admission” if the student qualifies the merit list, and they can commence classes. They are required to submit their final IB gradesheet upon receipt of the same. If they are unable to provide a gradesheet and have passed their relevant papers in IB, the admission is revoked.

III. Admissions Procedure

Procedure for admissions
Domestic and international/foreign student admissions

If you are studying the IB diploma in India (irrespective of nationality) have to apply for undergraduate courses through the normal procedure mentioned on the university website.
If you are studying the IB Diploma Programme overseas (irrespective of nationality), you can apply directly to the university online through the Office of International Relations. Admission is based on your marks in the IB diploma and you do not need to take the entrance test (as per 2013 admission norms, the policy for 2016 is yet to be announced).

Special considerations, credit and advanced standing

Scholarships

SLS does not provide tuition fee waivers. Instead, SLS maintains an economical fee structure to increase the program’s accessibility to all students. Also, SLS provides financial and non-financial support to admitted students for academic travel, research, non-credit workshops, and equipment.

Awarding credit

SLS recognizes IB achievement (Diploma) and provides equal opportunity for admission.

V. Additional information

Requests for transcripts of final results and other documents

SLS does not require the student to submit the transcript at the time of admission if they are not yet available. However, the documents should be submitted immediately on availability to confirm the provisional admission.

Shiv Nadar University

Admissions Statement

Shiv Nadar University (SNU) values the International Baccalaureate Diploma Programme and its engaging and challenging curriculum, which encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

Admissions Requirements

Admission to SNU is competitive, and in general for Undergraduate admissions we accept applicants from IB Board. In general IB candidates should have, or expect to achieve, an aggregate score of 32 with subjects combination as mentioned on the website against the respective program. Details of prerequisite subjects applicable for each program can also be found on the university website at http://snu.edu.in/.

IB students applying to the university will be accepted on the basis of their predicted grades. If eligible based on predicted grades they would be awarded provisional admission, which would be confirmed once their final results are declared. The schools or students will submit their predicted grades and transcripts with past performance.

Below mentioned is the Eligibility of IB curriculum for the various programs:

<table>
<thead>
<tr>

Sir,

Sub: Recognition of International Baccalaureate Diploma

With reference to your email regarding the inclusion of International Baccalaureate Diploma as an eligible qualification for admission into undergraduate studies, I’m happy to inform you that candidates who have successfully completed the International Baccalaureate Diploma Programme (IBDP) of the International Baccalaureate Office, Geneva, are eligible to apply for admission to undergraduate programmes at St Mary’s College, subject to them fulfilling relevant conditions stipulated by the Osmania University for admission to those programmes, and that, students with International Baccalaureate Diploma qualification have been granted admission to various undergraduate programmes at St Mary’s College.

Best wishes,

Sincerely,

J Mathew George

Provisional Eligibility Certificate

Students passing the Class XII from other Boards i.e. ISC, CBSE, ICSE, other State Boards etc or Foreign Boards/Universities have to apply for a provisional eligibility certificate issued by the University of Mumbai at the time of admissions through the College. Therefore, candidates who accept the offer of admission to the College will be given the prescribed application forms for provisional eligibility. The duly filled in forms are required to be submitted to the College along with an attested copy of the Class XII marksheet and a passport size photograph along with a prescribed fee of Rs. 250/- for eligibility and Rs. 500/- (towards verification of document) totaling Rs. 750/-. The duly filled in application form will then be forwarded to the University of Mumbai for issue of the Provisional Eligibility Certificate.

Further, candidates admitted to the College on the strength of the provisional eligibility certificate issued by the University of Mumbai, are required to submit the original and attested copies of the following certificates/documents as mentioned below to the College Office before the close of the 1st semester or at the beginning of the 2nd semester. These certificates will be sent to the University of Mumbai for confirmation of eligibility to the respective courses in which he/she has been offered admission.

University Liaison Officer
Asia Pacific Regional Office,
15 Hoe Chiang Road, #11-04/06 Tower Fifteen,
Singapore 089316

Dear Ms. Taneja,

I am writing to you with reference to our email correspondence regarding recognition of IB Diploma for our undergraduate programmes. Symbiosis International University welcomes IB students to apply to our undergraduate programmes. The minimum score for the IB diploma students required is 24 credits with completion of Diploma. The deadline for UG applications is approximately by end of May. Registrations begin by November – December of the previous year. However, the student is required to login to check specific dates.

The International Students Admissions at Symbiosis Centre for International Education (SCIE) is designed taking into consideration the requirements and difficulties faced by International Students. The admissions are centralized for all the constituent institutes of Symbiosis International University and routed through the SCIE office. The application procedure is simplified in easy steps starting from the basic eligibility check of important documents to be submitted till the final payment, confirming the admission. All applications are evaluated on the following criteria: Academic transcripts of the students, English Proficiency test, Statement of Purpose, 2 Letters of Recommendations and Curriculum Vitae.

Application information for INTERNATIONAL IB Diploma Candidates
Our Application procedure is online. IB Board students will apply to the common application form available on our website www.scie.ac.in

Our admissions are completed by June end i.e. before the IB results are announced. Hence, SIU can only offer a provisional admission to all such students whose results are pending based on the predicted results from the school. Once the final results are announced the students are required to submit their final transcript along with the Diploma completion document. If the student has secured less than 24 credits the admission will stand cancelled.

Please feel free to contact me if you have any more questions.

Thanking you

Regards,

CIRCULAR:

In continuation of this office circular No. Elg./C/5411 of 2009, dated 8th May, 2009, the Director / Head of the University Departments / Principals of the constituent affiliated Colleges / Heads of the Departments / recognized Institutions and the Director, Institute of Distance Education are hereby informed that the Academic Council at its meetings held on 2nd October, 2013 vide item No. 01 and Management Council on 07/07/2014 vide item No. 24 in the matter of accepting the change of terminology of the I.B. Certificate changed to IB Courses. According to the letter dated 9th October 2013 from the IB, “Successful IB diploma candidates receive an IB Diploma and the transcript with Diploma Results stating “Diploma Awarded”. In order to receive the IB Diploma, students must complete examinations in six subject areas and successfully complete the core requirements of Extended Essay (EE), Creativity Action Service (CAS) and Theory of Knowledge (TOK). An IB diploma candidate who fails to satisfy the requirements for the award of an IB diploma will receive Diploma Programme Results and a transcript stating “Diploma Programme Courses awarded”.

1. It was resolved that all students registered for the full IB Diploma with core requirements (Theory of Knowledge (TOK), Extended Essay (EE) and Creativity, Action and Service (CAS)) with either Diploma awarded or Diploma Programme Courses awarded and minimum of 24 points will be considered for determining eligibility.

The various levels of subjects required for IB students are as under:

2. IB Diploma or IB Diploma Programme courses with 3 HL and 3 SL awarded with 24 points holder be made eligible for various courses under the faculty of Arts, Commerce, Science, Law.

3. Students need to have Math and Physics at Higher Level (HL) and Chemistry at Standard Level (SL) (3HL & 3SL) to be made eligible for Bachelor of Engineering (except Chemical Engineering).

4. Maths and Chemistry at Higher Level (HL) and Physics at Standard Level (SL) (3HL & 3SL) to be made eligible for Bachelor of Chemical Engineering courses.

5. As regards to the B. Pharm Course it was resolved that the IB Diploma with Chemistry and Math Higher Level (HL), Physics/Biology at Standard Level (SL) (3HL & 3SL) is made eligible for B.Pharm.

6. I.B. Diploma, after 10 years of schooling, with not less than 50% marks in aggregate, and with Mathematics as compulsory subject of examination (3HL & 3SL) has also been approved by the Council of Architecture as a qualifying examination be made eligible for B.Arch Course.

It was also Resolved that for admission purposes the colleges should take into consideration percentage of the best five subjects (full pass i.e. 55/100 for each subject) as they do for other boards of education (Maharashtra board and CBSE)
They are therefore requested to note the contents of the circular while admitting
the students for various Undergraduate/Professional Courses in the affiliated
colleges/recognized Institutions/University Departments etc. from the academic year
2014-15. They are also requested not to admit any student without Prima Facie Letter
from Eligibility & Migration Section.

Place: Mumbai.
Date: 20th August, 2014.

To:
The Directors, Head of University Departments, Principals of the affiliated
Colleges, Head of recognized Post Graduate Institutes and the Director, Institute of
Distance Education.
In continuation of this office circular No. Elg./C/1501 of 2006, dated 9th May, 2006, the Director/Head of the University Departments/Principals of the constituent affiliated Colleges/Heads of the Departments/recognized Institutions and the Director, Institute of Distance Education are hereby informed that the Academic Council at its meeting held on 13th February, 2009 vide Item No. 7.12 in the matter of accepting predicted grades and extending the facility to the students those who have passed Higher Level Standard Levels issued by the International Baccalaureate (IB) and O Levels/AS Levels/A Levels issued by the Cambridge International Schools (CIE) are considered eligible for admission to the first year degree course of studies in the affiliated and constituent Colleges/Institutions and University Departments. The Academic Council after consideration resolved as under:

"Resolved that the Circular be sent to all affiliated colleges/University Departments regarding acceptance of predicted grades and various levels of subject i.e. Higher Level –Standard Level issued by the International Baccalaureate (IB) and O Levels/AS Levels/A Levels issued by the University of Cambridge (CIE) for admission to First Year of various courses in various Faculties in the University of Mumbai".

The various levels of subjects in International Baccalaureate (IB) and Cambridge (CIE) are as under:

"IB Diploma with Physics and Maths at Higher Level and Chemistry at Standard Level (3 HL and 3 SL) be made eligible for Bachelor of Engineering (except Chemical Engineering) and Maths, Chemistry at Higher Level (HL) and Physics at Standard Level (SL) (3 HL and 3 SL) be made eligible for Bachelor of Chemical Engineering courses. As regards to the B.Pharm Course, it was Resolved that the I.B. Diploma with Chemistry, Maths at HL and Physics/Biology at SL be made eligible for B.Pharm. (3 HL and 3 SL). It was further Resolved that I.B. Certificate holder be made eligible for various courses under the faculty of Arts/Commerce/Science subject to the conversion of grades into percentage".

[P.T.O.]
Student who has passed Mathematics, Physics at “A” Level and Chemistry at “AS” Level will be considered eligible for Bachelor of Engineering (except Chemical Engineering) and a student who has passed Mathematics, Chemistry at “A” Level and Physics at “AS” Level will be considered eligible for Bachelor of Chemical Engineering.

As far as Bachelor of Pharmacy (B.Pharm.) is concerned, the student who has passed Mathematics, Chemistry at “A” Level and Physics/Biology at “AS” Level will be considered eligible for B.Pharm Course.

In addition to above, it is necessary to pass 5 OR 4 “O” Levels and English at “AS” Level.

They are therefore requested to note the contents of the circular while admitting the students for various Undergraduate/Professional Courses in the affiliated colleges/recognized Institutions/University Departments etc. from the academic year 2009-10. They are also requested not to admit any student without Provisional Statement of Eligibility Certificate.

Mr. Vinayak Sudhakar,

This is to state that the international Baccalaureate Diploma programme awarded by the International Baccalaureate Organization (IBO), Geneva, Switzerland has been granted equivalence with the 10+2 qualification from any recognized board in India by the Association of Indian Universities (AIU).

All undergraduate degree programmes offered at Whistling Woods International are awarded by Tata Institute of Social Sciences (TISS), which is a Deemed-to-be University under Section 3 of the University Grants Commission Act (UGC), 1956. We hereby confirm that students who have the I.B. Diploma Programme (IBDP) award are eligible to apply for the undergraduate degree programmes offered at Whistling Woods International. Admission to any of these programmes will be subject to qualifying through the Entrance Exam.

We appreciate the teaching methodology of the I.B. Diploma programme and in the past we have had students with this qualification who have joined us and successfully completed their graduation.

Regards,

Chaitanya Chinchlikar
Vice President
Whistling Woods International.

Dear Sir,

Kindly refer to your letter dated September 25, 1989 on the subject cited above. In this connection, I am directed to inform you that we give cognizance to the equivalence of qualification which have been recognised by the Association of Indian Universities. Since the International Baccalaureate Diploma programme of Geneva, Switzerland has been recognised by the Association of Indian Universities as equivalent to Senior School Certificate examination under 10+2 pattern of education in India, we also consider it as equivalent to Senior School Certificate examination i.e. 10+2.

Yours faithfully,

(K. KISHORE)
DY. REGISTRAR (ADMISSIONS)
To

The IB Regional Representative for the sub-continent of India,
AL-Madrasa, Tahri Manzil,
Ground Floor, Nizami Road,
Mazagon, Bombay-400 010

sub: Recognition of the International Baccalaureate Diploma of Geneva, Switzerland.

Madam,

I am to refer to your letter dated N1 and to inform you that this university has already recognised the following examinations of the International Baccalaureate Office, Geneva (Switzerland) as equivalent to +2 stage of Examination of 10+2 pattern of education for purposes of further studies at this university:-

1. International Baccalaureate Diploma Examination,
2. International Baccalaureate

Yours faithfully,

Deputy Registrar (Academic)
July 26, 1994

Mrs. F.B. Dohadwalla
International Baccalaureate Representative for the Sub-Continent of India
Al-Madrasa, Taheri Mandir
Ground Floor, Nesbit Road
Mazagaon
BOMBAY - 400 010.

Madam,

This has reference to your letter dated 11/11/91 on the question of Recognition of the International Baccalaureate Diploma of Geneva, Switzerland.

I wish to inform you that the University in accordance with the recommendations of the Association of India Universities, has already recognised the International Baccalaureate Diploma of Geneva as equivalent to the 10+2 examination under the Indian system for purpose of admission into this University for its first Degree Programme viz., B.A., LL.B. (Hons.). You may therefore, include the name of this University in the proposed recognition handbook.

Yours faithfully,

Registrar

Other notifications from government organizations that recognize the IB diploma
Central Board of Secondary Education (CBSE) (Equivalence)

CHAPTER 11
EQUIVALENCES

71. The various Boards have given equivalences to each others' examinations and consequently the transfer from one Board to another is possible on a point to point equivalence basis. However, each Board/University is at liberty to put eligibility conditions for the next stage e.g. Class XI or the 1st year of college or a professional course. In other words equivalence is only equating two examinations and Eligibility may have additional conditions prescribed by the Board/University.

As regards the foreign qualifications, this Board accepts the recognition/equivalence determined by Association of Indian Universities, AIU House, 16, Comrade Indrajeet Gupta Marg, New Delhi. AIU have recognized for purpose of admission to higher studies in India the qualifications of about 85 countries all of which are listed country wise in the AIU publication ‘Equivalence of Foreign Degrees’. Once the terminal exams stand recognized, the lower qualifications are automatically acceptable after verification of the original authenticated certificates/documents.

SCHOOL LEVEL QUALIFICATIONS FROM SCHOOLS AFFILIATED TO FOREIGN BOARD/OFFERING FOREIGN SYSTEM OF EDUCATION

36. AIU recognizes the system of education from across all countries of the world and equivalence is granted provided that (i) the foreign system of education prescribes a minimum of 12 years of regular schooling; (ii) the school is affiliated by a Board that has been approved/recognized; (iii) the school leaving certificate has been issued by the Board that has been approved/recognized/accredited in the country concerned;

37. Since the basic eligibility requirements for admission to Bachelor Degree Programme in India is Grade 12 OR an Equivalent Examinations, AIU accords equivalence to the School Level Examinations of a good number of Countries of the World so far, Conventionally;

38. Equivalence issued by AIU is accepted by the Universities in India for the purposes of admission or employment. Besides, the Centre/State Employment Agencies, UPSC etc. also accept the equivalence issued by the AIU;

39. As of now, the AIU has accorded Equivalence to some of the most popular Systems of School Education of the world i.e, the British System (GCE ‘O’&’A’Level), American System (High School Diploma), International Baccalaureate (IB) awarded by the International Baccalaureate Organization Geneva, Switzerland, French International Baccalaureate, 12 year General Secondary School Certificate Examination conducted in most of the Gulf countries etc;

40. The following is a list of +2 level qualifications and their nomenclatures recognized by AIU subject to that the education has been pursued only on REGULAR MODE;

a. 12 years Baccalaureate Certificate of Chad, Gabon, France and Tunisia;

b. International Baccalaureate Diploma awarded by International Baccalaureate Organisation, Geneva, Switzerland;

c. 12 years General Secondary Education Certificate of the Ministry of Education Bahrain, Egypt, Jordan, Kuwait,

Dated Aizawl, the 25th June, 2013.

To

The Development Manager,
International Baccalaureate Organisation,
(Singapore Branch)
600 North Bridge Road,
Park View Square, Singapore – 188778,
Republic of Singapore.

Subject: Equivalence of Middle Year Programme run by IB, Singapore.

Ref: No.COBSE/C.297/2013 dt.15.3.2013.

Sir,

I am to inform you that Mizoram Board of School Education recognizes public examinations conducted by all the member - boards of COBSE. As you are the Associate Member of the Council of Boards of School Education in India(COBSE), your Middle Year Programme (MYP) is hereby granted equivalence to class X or HSLC Examination conducted by this Board on reciprocal basis.

Yours faithfully,

(F.LIANHMINGTHANGA)
Secretary
Letter No. 21.16/2012/NIOS/SSS/ADM

Prof. D.V. Sharma,
General Secretary,
Council of Board of School Education in India,
6H Big Ho's Tower, A-8 Netaji Subhash Place,
Ring Road,
Delhi-110034

Subject: Associate membership of COBSE to International Baccalaureate-reg.

Dated: 01.05.2013

Dear Sir,

This is with reference to your letter no. COBSE/C.297/2013 dated 15.03.2013 on the above cited issue. In this regard, I have been directed to inform you that the Competent Authority of NIOS has agreed to give its consent that the proposal for the Middle Year Programme (MYP) offered by International Baccalaureate (IB) may be treated at par to the class 10th of the CBSE & other member Boards of COBSE.

Thanking you,

Faithfully yours

(Dr. Sanyam Bhardwaj)
Director (Student Support Services)
To,

General Secretary,
Council of Boards of School Education in India (COBSE),
611 Bigio s Tower, A-8 Netaji Subhash Place,
Ring Road,
Delhi.

Subject:- Regarding equivalence of MYP (Middle Year Programme) of International Baccalaureate (IB)

This is with reference to your letter No. COBSE/C.99/2014 dated 21 Jan. 2014 on the subject cited above, this is to inform you that Punjab School Education Board grants equivalence to the examinations conducted by member and associate member Boards of COBSE. However, equivalence certificate is issued to students on individual basis taking into consideration the merits of each case.

A. Gill
Director (Academic)
